

## **PCC Attends a High Performance Driving Experience**

**Where: Willow Springs "Big Track" in Beautiful Rosemond, California**

**When: March 3 & 4, 2018**

This is a chance to run your Corvette at speed.

The Willow Springs Big Track is a 2.5 mile 9 turn road racing track. The track is fast. There is also plenty of room if you make a mistake.

This event is run by West Coast Racing Inc. we have been attending their events for many years. They always run a top notch event with the emphasis on safety and fun. Their website is [www.westcoastracinginc.com](http://www.westcoastracinginc.com) note: the website is not up to date for the upcoming event but little has changed. The only real change is the update of the helmet date. The entry form is still good.
