Old Business

Remember to pick up business cards by the podium and invite prospective members.

New Business

Bob Rose pointed out that his cell phone number is on the website. Board to discuss designating another board member and Bob suggested Bob Savanich.

Discussion started regarding honorary membership and the spirit in which it was initiated for one of our current members who is very active in our club. It was brought to President Bob Rose's attention that there is a former member who is lobbying for honorary membership. While indeed tragic, the loss of a member spouse is not sited in the constitution as a reason to be considered for honorary membership. But there is a flaw in the manner in which our constitution is written and that would essentially allow any member to be nominated for honorary status by any member at the annual meeting. Very special membership of honorary status may be diminished by abuse of the process. It was suggested to Bob Rose that our constitution be amended to require the board to review and approve by a simple majority, a recommendation for honorary membership and approved by board and brought to membership for a vote. Soon you'll get a written notice by email of the proposed change to the constitution. We have to give the club 30 days written notice and discuss at the July 3rd meeting and vote in August.

Steve Radigan reminded the group that the PCC club is 30 years old this month and there are still 3 original members.

Sergeant at Arms

Bob Savanich was called up to assess fines and a whopping \$4 was collected.

At 8:15 PM, a 10-minute recess was announced.

Approximately 8:25 the meeting reconvened.

The lucky 50/50 winner was Ted Jung who graciously turned over his winnings of \$110.00 to our scholarship recipient Jason Mudge.

The meeting adjourned at 8:33 PM.
