Covid-19? What Covid-19?

AUTOCROSS AUTOCROSS AUTOCROSS AUTOCROSS

IT'S SIMPLE IT'S SAFE IT'S FUN IT'S COVID-19 FREE

YOU HAVE BEEN INSIDE LONG ENOUGH. TIME TO HAVE SOME CORVETTE FUN TOGETHER!

What: Navigate your Corvette through a sea of cones laid out in a parking lot as fast as you can. You will never get out of second gear.

How many times do I get?: As many as you want. You will be in a run group. Groups take turns lining up and cars go through the course one at a time. Right now there are about 32 cars registered so there will be plenty of course time available. It takes less than a minute to navigate the course.

Where: Fontana Speedway (AKA Autoclub Speedway) infield lot (SCCA has a Pro event scheduled for the big outside lot at the same time). Track racing going on THAT DAY too.

When: Saturday August 15th starting at 9:00 until you get tired of it

Meet-up: Starbucks at Green River Rd. just off 91. Meet at 7:30am pull out at 8:00am

How much: \$89 plus a \$20 gate fee if you bring a passenger. The track is limiting observers to one per driver so no putting 3 or 4 people in your Corvette. No ride alongs this time.

Register

here: <https://www.speedventures.com/Events/Detail.aspx?id=805> Make sure to specify Saturday.

Bring your chair and an easy-up for social distancing. There is tons of room to set-up and spread out.

Let me know if you are coming so we wait for you at Starbucks and if you need a helmet. I will have at least 6 newly cleaned and sanitized club helmets on hand that you can use for the entire day if needed.

We are also doing a Speedventures track day on the big track Sunday the 16th if you really want to get your YaYa's out.

Come on folks, you have been locked up at home too long. We need this.
