

Here it is! Another fabulous road rally event in San Diego County with your local SCCA region!

Just for PCC (and any other Corvette owner) we have added a Corvette only class for this rally. So far there are only 3 Corvettes signed up in the class (only one from PCC), but the overall rally is filling up (60 car max) and registration closes in 8 days.

As a reminder, this is NOT racing. These rallies are designed to be fun, safe, and never ask you to exceed a posted speed limit. It's all about brains, precision, and cooperation between the driver and navigator.

Click on the online registration link on the PCC calendar or go directly to motorsportreg.com to sign up.
