TIME: 9:30AM

DEPART: 10:00 SHARP!

FINAL DESTINATION/LUNCH: BRAVO BURGER

14698 PIPELINE AVENUE, CHINO HILLS, CA

HOSTS: BOB & SANDY SAVANICH

We've put together another "Funday Monday" for all those members who want an excuse to get out of the house to drive their beautiful Corvette, and have a bite to eat with your PCC friends.

No freeway driving. Carbon Canyon is approximately 8.3 miles long. It takes about one hour and 15 minutes to make the entire run. We may get separated a bit due to the traffic lights, but the directions will get you to Bravo Burger where there is ample "Corvette friendly" parking.

We've run this route a few times and it was an enjoyable ride with light Monday traffic. For your benefit, (*wink wink*) we have also tested the food at Bravo Burger where you order at the counter and have your food delivered to your table. Breakfast is served until noon. Lunch is available all day. There is indoor dining with ample seating and one covered outdoor patio. If we have enough people, we plan to have a cash raffle.
