**Sportscar Vintage Racing Association (SVRA) Car Show – Hagerty Cars and Caffeine  
February 5, 2022 – Auto Club Speedway**

Pacific Coast Corvettes has been invited to the above mentioned event. If we bring enough Vettes we can have our own Corvette Corral. **The cost is \$45.00 and you have to register by signing up on-line.**

**According to the organizer we should get 3 laps or so at around 50 MPH on the same track the Vintage Cars will be racing on. That's cool! I've NEVER been on the track at ANY speed. You don't want to miss this opportunity. If you are not a "PCC Racer" this is possibly a once in a lifetime deal.**

**Visit the PCC website calendar. Click on the "Registration" button. It will take you to the Registration Form. Click on the "Event Flyer" button to see what you get for your \$45.00.**

***Please sign up as soon as possible and be sure to let me know you will be joining us.***
