Presents

CorvetteFest

at

Huntington State Beach

Sunday March 20, 2022– 7:00 AM – 10:00 AM

Pacific Coast Corvette Club and other Corvette clubs have been invited by the event organizers to bring as many Corvettes as we can muster. Let's shoot for 20 PCC Vettes. Our **Toys for Marines South County Cars and Coffee** outing drew 37 Corvettes. Our **New Years Day Cruise and Lunch** outing drew 24 Corvettes. I'd love to see a similar number show up at PCC's **Inaugural** appearance at this event. 300 Corvettes are anticipated per CorvetteFest organizer.

Because the event is on State Beach property there is a **\$15.00 per vehicle parking fee** which gives you access to all CA State Parks that day. **The CorvetteFest event is FREE!!!** Due to the fact that the venue is a bit of a distance from most of our members, it is best to meet at the venue instead of caravanning down. The event organizer will reserve the **"PRIME"** beachfront parking **if we come in numbers**. So the gauntlet has been thrown. Bring your chairs, tables, umbrellas, soft drinks (no-alcohol), snacks and lunch. We have permission to display our **PCC Banner/Signs** as well which always gets attention and hopefully a prospect or three. There will be a food truck or two, a coffee source and maybe some donuts.

Entrances: The Address is 22211 Pacific Coast Hwy, Huntington Beach, CA. 92646. The recommended entrances on PCH are **Magnolia Street and Beach Blvd**. Magnolia tends to get packed so it is recommended we try the Beach Blvd entrance. **Use CASH for quick entrance to reduce long queues (credit card processing takes a bit of time).** Gary Lane will be just inside the gate where we will gather to make the short ride to our prime parking area.

Please arrive at 6:45.
