

Catalina Island Adventure

Join PCC for a day of sailing and sun and libations

We will leave from Newport Beach at 9am on Wednesday, August 17th for a short cruise to Catalina Island aboard the Catalina Flyer. Once on the island we will make our way to town where we will gather at the Marlin Club. The Marlin Club, which is the oldest bar on Catalina, is newly owned by Gina McCue's sister and brother in law, Shelly and Bill, and will be our home base for the day while we are on the island. Masks are required on board.
