

Stevie Nicks Illusion, A Tribute to Fleetwood Mac, has been referred to as the most authentic sounding tribute to Stevie Nicks and Fleetwood Mac to date! The haunting vocals and performance of Diana Grace are “spot on as Stevie Nicks from the early years of the 1970’s”! The chemistry and performance combined with World Class musicianship of each band member makes for pure magic! The show is exciting as well as intimate, and you will be swept away in what can only be described as a magical shared musical experience!
